Annual Report

THE BRISTOL MASONIC FAMILY

ONE JOURNEY. ONE HOME

Province of Bristol

ANNUAL REPORT 2026/27

Welcome to the Annual Report

As the incoming Provincial Communications Officer, it is my privilege to introduce this summary of our shared achievements, community initiatives, and ongoing progress over the past year. Modern Freemasonry thrives on transparency, fellowship, and open engagement, and the stories within these pages highlight the incredible impact our members make across the City and County of Bristol.

From raising vital funds for local charities to opening our doors at 17 Park Street for public events and heritage open days, our goal remains clear: to build stronger connections both within our Lodges and across our local community.

Whether you are a long-standing Brother reviewing our collective milestones or new to our historic Province, I hope this report offers a inspiring look into who we are and what we do.

Thank you to all those who provided reports and those who contribute their time and stories to this edition.

Provincial Reports

Province of Bristol

Welcome
Dr Jonathan Hayes

It is a great honour to assume the role of Provincial Grand Master and Grand Superintendent for and in our distinguished and historic Province and further develop the initiatives and high standards of leadership set by my predecessors in office. This report is an excellent opportunity to reflect on everything that has been going on over the last year and to consider some of the opportunities that will arise in the course of the next.

I would like to thank everyone who has contributed to this summary document – your reports provide just a tiny snapshot of the work that your have undertaken on our collective behalf over the past year. Thank you for your continued enthusiasm and work in these increasingly outward facing roles and for upholding our shared commitment to the core values of Friendship, Integrity, Respect and Service

This last year has seen a change in leadership across the Bristol Masonic Family. This presents a unique opportunity for the executive teams across Craft, Royal Arch, Mark Masonry and the Camp of Baldwyn to redefine our interrelationships and work collaboratively to ensure the continued growth of Masonry within Bristol.

We are committed to working together to develop a single strategic plan based on the three pillars of Resilience, Growth and Visibility. Resilience to ensure our existing members, our organisational units and our Province are thriving and that all our members, their visitors and guests enjoy an enhanced experience of contemporary masonry at every meeting; Growth in our membership across all the orders in the Bristol Masonic Family in support of maintaining that resilience; Visibility in celebrating and sharing our pride in our membership, and increasingly using our building to work for us to our best advantage, to generate income to support our resilience, stimulate growth and positively promote Bristol Masons in our wider community.

We are privileged to be members of a self-contained Province, where all our lodges and orders meet within the same spectacular premises.

We are privileged to be members of a unique Province that is steeped in history, with its own customs and traditions that we rightly preserve and defend.

The natural progression through the Orders within the wider Bristol Masonic Family create a unique journey of our own, within our single masonic home.

This is the Bristol way - one journey, one home.

One Journey, One Home

Jonathan Mark Walker Davis

Once again, I welcome you to the Annual Report. This year it has been collated and produced by W Bro Leo Hodgson and the Province is indebted to him for this undertaking. I wrote my first Foreword for this Book in 2018 and I note that in more recent years it has been titled “Forward” which is decidedly more descriptive, but as this is my last “Foreword”, we will return to the correct spelling.

My tenure as PGM & MEGS has seen a multitude of changes in the world at large and Masonry in particular. Our leadership within UGLE has embraced the challenges facing our Order and set out a raft of initiatives and strategies to preserve and develop further Freemasonry around the globe. Within the Province we have sought to respond to these initiatives and have witnessed some excellent examples of Lodges and Chapters recognising that they must embrace some degree of change in order to carry Masonry forward to the next generation and beyond.

I am immensely grateful to the officers who have helped and supported me during my tenure: Deputies Richard Lewis and Tim Brunton have been excellent, my secretaries Peter Wills and Phil Nichols have been a huge asset, as have my Treasurers Tony Driffield and Richard Keen.

Alongside these, there has been a small army of committed, dedicated officers who have made this Province such an enjoyable and rewarding place in which to have played a leadership role.

Jonathan M.W. Davis
Provincial Grand Master / Most Excellent Grand Superintendent

I commend my successor to you. W Bro Dr Jon Hayes will no doubt bring his own stamp and shape to the role and I wish him every success, and I know that you will give him your full support.

Finally, I would like to thank all of you for the way in which you have welcomed me to your Lodges and Chapters over the years.

2026/27

Officer Reports

Province of Bristol

Provincial Secretariat

During the past 12 months the Members of the Provincial Secretariat has increased in size with the addition of W. Brother Andy Millar of Whitson Lodge who has been heavily engaged with learning the workings of the Office in general. Additionally Andy but has taken on the role of maintaining and updating the In Memorium Book, assisting with the collation of meetings dates – specifically those that require amending due to clashes with Bank Holidays. A job that requires an analytical and committed attitude of mind.

Andy has further been tasked with reviewing and preparing a comprehensive and wide-ranging review of the Honours Boards in all three Dining Rooms. A) to create more space for a new Lodge and a new Chapter but also how we manage the historical data contained within the Lodge Boards that are now full. It is anticipated this work will be undertaken within the next Masonic Year.

Meanwhile Mike Page and myself have been busy securing a new venue for our Annual Meetings for both Craft and Royal Arch, at a price we could afford having been "priced out" of the City Hall, whilst planning the layout, facilities available and logistics required for this year's important ceremonies – with the Investiture of a new Most Excellent Grand Superintendent and Provincial Grand Master. Those ceremonies involve a vast amount of work prior to the meeting as well as close liaison with UGLE who will direct and perform the Installation Ceremonies in September 2026.

As many will be aware, it is planned that in the next 12 – 18 months Hermes will be phased out and many functions will migrate to PORTAL. Likewise, the platform upon which Adelphi (UGLE's main database) sits will also become obsolete and that data will also be migrated to PORTAL.

A lot of work and functionality has already taken place centrally, to enable Annual Returns, Payments of fees etc to be actioned via PORTAL. It is imperative that everyone signs up to enable their use of the new database as it gives access to a vast encyclopaedia of information including access to Solomon where you can now obtain a Solomon Diploma in Masonic Knowledge, access to the Book of Constitutions and a wide range of other important and useful information. We are ensuring that all Lodge and Chapter Secretaries and Scribes as well as Treasurers are signed up and briefed on how to work with the new system.

The changes that are occurring within Freemasonry generally has a significant impact on the workload of Provincial Secretariat Offices throughout England and Wales. To that end the Grand Master has decreed that a new office of Deputy Provincial Secretary will now be created.

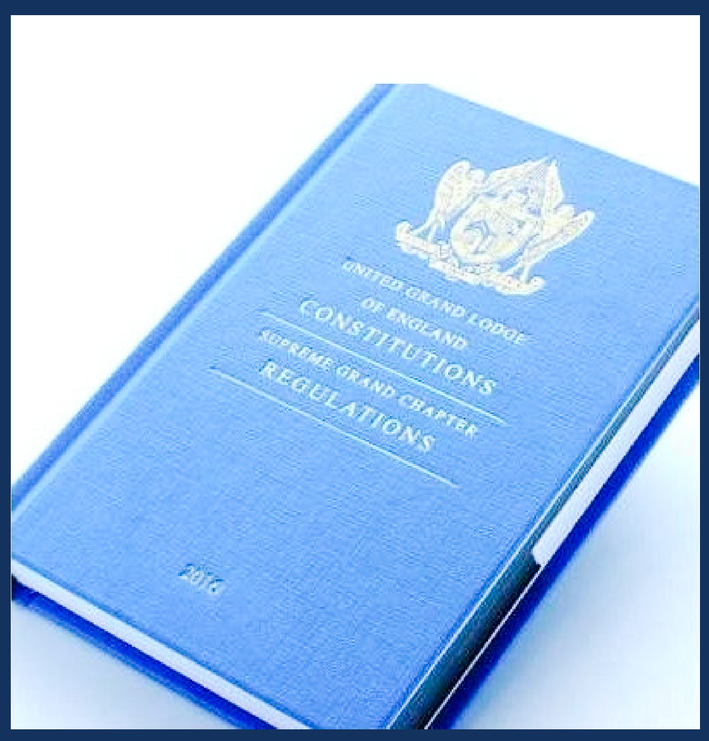

Therefore it is an opportune time to re-structure our Provincial Office. As from 19th September 2026, I will be standing down as Secretary after 6 years in post. W. Brother Mike Page will take over as Provincial Secretary, with W. Brother Andy Millar as Deputy Provincial Secretary and I will act as Assistant Secretary for one year. As regards the Royal Arch I will remain as Provincial Grand Scribe Ezra until September 2027 with Mike Page as Assistant Grand Scribe Ezra.

The office will also say farewell and with very grateful thanks to W. Brother Kash Dewani who has acted as the second Assistant in the office ensuring that all Summons' are compliant and in accord with Hermes Pre Meeting Reports as is required. His help in this regard has been invaluable, and I thank him for his dedication and commitment over the past 5 years. Thank You Kash your assistance and support has been invaluable..

Once again, this year has been defined by a renewed focus on administrative changes involving initiatives from Grand Lodge to ensure our Third Pillar commitment to community engagement remains an active and positive aspect of our Provincial Strategy. Our commitment to modernization, in terms of openness and transparency without diluting our proud historic traditions continues to thrive and remains relevant in our contemporary world. Thereby we can ensure as best we can to remain attractive to prospective Members whilst remaining an integral and high profile part of our community.

Whilst the increase in membership needs to be ongoing, we must endeavour to recognise and develop our ability to improving retention of our members. This will result in greater stability, longevity and enhanced pride in this our Masonic Province of Bristol.

As we move closer to harmonisation between the Craft and Royal Arch and the establishment of One Organisation – One Journey, this report is intended to encompass the working of the Secretariat during the past 12 months, covering both the Craft and Royal Arch, and our combined support to both aspects of Bristol Masonry as one organisation..

Almoners Report

Brethren, it is a great privilege to serve the membership of our Province as PGA and now have this opportunity to present the annual report on Almoner activity across the Province for the last 12 months.

This year has been marked by an improved communication between Lodge and Chapter Almoners, which in my mind has provided a proactive pastoral care when needed by our members

A much closer partnership with the Masonic Charitable Foundation (MCF) has developed which has aided our aim to support brethren, widows, or dependants.

A. Provincial Almoner WhatsApp Group

- The Provincial Almoners WhatsApp Group now includes most of our Lodge and Chapter Almoners, APGM and myself.
- The group is used frequently to share best practice, request second opinions, and circulate MCF updates. It has become a vital link to information and guidance.. especially for newer Almoners.
- Interactions between Lodge and Chapter Almoners have increased significantly this year. This has meant we have been able to collaborate assistance when needed by a member who is active in different lodges or orders. Less duplication, more consistent care, and a sense that "we are one team".

B. MCF Engagement & Three Pillars Review Briefing

- *Visit by Mike Martin from MCF:* On 18th March 2026 we were honoured to host Mike, MCF Partnerships Manager, at Freemasons' Hall, Bristol. The attendee numbers have certainly laid foundation for more of such activity.
- P*urpose: Mike briefed us on the MCF Three Pillars Review and its implications for Lodge-level almoning*. The three pillars – Masonic Support, Non-Masonic Grants, and Community & Research – have been realigned to improve speed of response and clarity of eligibility.

Key Takeaways for Lodge Almoners:
1. Earlier MCF Involvement: Almoners encouraged to contact MCF at the "worry" stage, not just crisis. MCF can now offer advice, signposting, and small grants before hardship escalates.
2. Mental Health Support: Expanded counselling services under Pillar 1, available to Brethren and families without means-testing.
3. Almoner Toolkit: MCF released updated factsheets and a flowchart –

C Challenges and Objectives:
1. Aging membership: More requests relating to mobility, isolation, and dementia support. We need to embed early MCF intervention . The Expertise they have needs to be used .
2. Awareness: Some Brethren still reluctant to ask for help. We continue to promote "It's OK to ask" at Lodge meetings.
3. Succession planning: Less members inclined to take on role of an Almoner. Use of Almoners Guide produced can be used to help possible candidates to consider the post more seriously.
4. Widows & Families: Establish links with The Widows Association to prevent the desertion feelings experienced by many widows.
5. Digital Inclusion: Support older Brethren with tech so they can stay connected.

I wish to record my sincere thanks to every Lodge and Chapter Almoner for their compassion, discretion, and time. In particular I would like to mention W Br Mike Whitworth for being a Volunteer Visitor and undertaking visits!

The role of Almoner is the very heart of Freemasonry – putting our principles into action. I am proud of what we have achieved together this year and look forward to building on it.

Kash Dewani PGA (Bristol)
PAGDC JP

Membership Officer Report

The Membership Officer role is a busy and hands-on one, with the primary objective of supporting a thriving membership true to our core values of integrity, friendship, respect and service and promoting the One Journey, One Organisation notion.

Much of the work takes place behind the scenes, and this year several lodges have received support with potential candidates and membership assistance.

Our focus this year has been the Building Together framework. Tim Brunton, Andrew Willment and I attended the seminar at Sindlesham before hosting a successful evening for all Lodges and Chapters. We presented the framework, discussed how it could be implemented locally, and shared the resources available. The package contains practical guidance, best practice for attracting and retaining members, and excellent checklists to help lodges review their approach.

Thanks to the efforts of Brin Bassrall, we also welcomed Worshipful Brother Stephen Collings from the Lodge of Agriculture. He gave an inspiring presentation on how his Lodge transformed itself from one in decline to one that is now flourishing. His enthusiasm and passion clearly demonstrated that with focus, a willingness to embrace change, and a positive approach, lodges can build real momentum. One message stood out above all others: "YES if...", not "NO because."

Membership is about much more than bringing in new Masons. It is equally important to reconnect with members who are no longer attending and encourage them to return. This responsibility doesn't rest solely with the Almoner—it belongs to all of us. A strong social calendar, opportunities to support charitable activities, and events outside the lodge all help strengthen friendships and reinforce the bonds that keep members engaged.

Membership should also be a regular agenda item at committee meetings. Lodges should review their lodge profile regularly, particularly as new and younger members join, and consider whether their activities continue to meet the needs of the Lodge.

Finally, I would encourage every lodge to introduce new initiates to the Dunckerleys. Under the leadership of Adam Chambers, it has become a thriving group offering a wide range of masonic, social and charitable activities. It provides an excellent opportunity for newer members to build friendships, broaden their masonic experience and remain engaged in masonry.

Enjoy your masonry.

Nicholas J. Lewis
Provincial Membership Officer

Charity Steward

Brethren, first of all I would like to thank you all for the generous donations you continue to make, but on a personal note the support i get from each & every one of you.

The past year has once again, has been very full on each month we are still receiving an incredible number of applications, from various charities.

The Bristol Masons Charity have included a very detailed report in this annual review for your perusal, so my intention is to highlight just a couple of the places i have visited in the past twelve months.

As Provincial representative for the MCF (now rebranded as THE FREEMASONS CHARITY)

Here are a couple of Charities who received various grants within our province. As you are all aware the province of Bristol are now in Festival Mode until 2030 and I encourage you to take part.

Without your donations, THE FREEMASONS CHARITY couldn't give the very generous large amounts to those in need in our local community.

INDIVIDUAL LODGE & CHAPTER DONATIONS

Over the past year Lodges & Chapters have continued to support their chosen charities.

At our recent AGM I produced a booklet giving further information regarding these donations. Please contact me if you need a copy.

2026/27

Mark Masonry & Camp of Baldwyn

Province of Bristol

Mark Masonry

The past year has been one of exceptional achievement and vitality across the Mark Province of Bristol, marked by major leadership transitions and growing fellowship.

Following seven years of dedicated service, Right Worshipful Brother Stephen Rawlings announced his decision to step down as Provincial Grand Master, paving the way for the Installation of Right Worshipful Brother Ashley Hawkins, alongside Deputy Provincial Grand Master Worshipful Brother Rhys Hughes and the Provincial Executive.

Conducted with great dignity in the presence of distinguished Grand Lodge officers, the ceremony honoured our rich traditions while establishing a clear vision for the future.

Historic commemorations played a central role throughout the year, highlighted by the 150th Anniversary of Baldwyn Mark Lodge—the mother lodge of the Province—and the 50th Anniversary of Ernest Dunscombe Lodge, alongside preparations for the Province's own 150th Anniversary.

Provincial activity flourished across all degrees, featuring well-received visits to Royal Ark Mariner lodges, such as the poignant meeting of Harris RAM at Yatton Masonic Hall, and the relocation of Provincial Grand Lodge to an outstanding new venue at BAWA Leisure. Social and lodge meetings were equally successful, from the popular Trafalgar Night dinner aboard HMS Adoniram to a memorable talk hosted by Bristol Installed Mark Masters Lodge.

The Province also celebrated significant national recognition and impactful charitable giving. Grand Rank honours were awarded to deserving Brethren, notably Worshipful Brother Stephen Simmons as Active Grand Steward—the Province's first appointment to that office in over a decade—alongside Royal Ark Mariner Grand Rank promotions for Worshipful Commander Martyn Weaver and the late Worshipful Commander Tony Griffiths.

Underpinning these achievements is encouraging membership growth, with the Province welcoming 22 new Mark Brethren and 9 new Royal Ark Mariners.

Looking ahead, Bristol Mark Masonry is actively fostering closer collaboration across all Masonic Orders, highlighted by R.W. Bro. Ashley Hawkins' appointment as Senior Grand Warden in the Craft.

As the Province looks forward to celebrating its 150th Anniversary, its strong foundations, fresh enthusiasm, and deep-rooted fellowship ensure it is exceptionally well-placed to continue thriving for years to come.

A major highlight was the presentation of a £100,000 Mark Benevolent Fund grant to Bristol Children's Hospital to fund pioneering "Visualase" MRI-guided laser ablation equipment, providing a powerful example of the tangible difference made by Mark Masons.

Camp of Baldwyn

Provincial Priory of the City and County of Bristol – September 2026

Sir Knights and Brother Knights,

I am delighted to welcome you, especially so if this is your first time at a City and County of Bristol Provincial Priory meeting. It is a great pleasure to have so many distinguished visitors join us for the day. We appreciate your company and generous hospitality whenever we visit your Provinces. We are pleased to be able to reciprocate, and I hope you are enjoying your time with us.

For the benefit of our visitors, I should explain that this meeting is rather different to Provincial Priory meetings elsewhere, where all the Knight Templar Preceptories in a Province are represented and parade their respective Preceptory banners.

Here, all our members are Sir Knights of the Camp of Baldwyn, which encompasses no less than Five Royal Orders of Knighthood. The Baldwyn Rite of Seven Degrees Time Immemorial has been practiced in Bristol for some 250 years. The Bristol Craft and Holy Royal Arch form our first two degrees and are followed by the Five Royal Orders of Knighthood. The first three are under our own sole jurisdiction and entirely exclusive to Baldwyn; these are The Nine Elected Masters, The Scots Knights Grand Architect and The East, The Sword and Eagle degrees.

Our sixth degree is the Baldwyn Commandery of St John of Jerusalem, Palestine, Rhodes and Malta and Preceptory of Knights Templar. This uniquely combines both the Hospitaller and the Templar degrees in the same ceremony. Our seventh and ultimate degree is the Baldwyn Rosae Crucis, which has some similarities with the Rose Croix 18° practiced elsewhere, though it predates that ceremony by some 100 years.

In Baldwyn the Knights Templar and Rosae Crucis degrees are indelibly linked, as was the case of old, when both were conferred in Templar Encampments. The Camp of Baldwyn has made excellent progress during the past year. Four exceptional Candidates have been received into each of the Five Royal Orders and we have also been pleased to welcome a re-joining member into the Camp.

We are looking forward to welcoming two further Candidates into the Camp, being installed as both Knights Hospitaller and Templar in the same unique Baldwyn ceremony later this afternoon. During the past year, the Grand Commanders, Marshals and Officers of each of the Five Royal Orders have on every occasion conducted flawless ceremonies. The pride they take in delivering outstanding ritual, the enthralling sense of occasion and depth of meaning they have imparted to all our rituals is very greatly appreciated.

It has been a pleasure for us to enjoy the company of a number of visitors at our meetings. A particular highlight was welcoming Most Puissant Brother John Boyington, Sovereign Grand Commander of Supreme Council to our Rosae Crucis meeting in March. He wrote a few days later to say, "Many thanks for a wonderful visit and the generous and warm welcome given to me by all present."

We receive many compliments on the precision and excellence of our complex ceremonies and the enjoyment that our visitors have shared with us, such as: "The ceremony was remarkable, extremely interesting and expertly conducted. Clearly a huge amount of work had been done by all concerned." Also "You must preserve your ancient ceremonies. You have something beautiful and immensely valuable in Baldwyn."

It is a great joy for us to have our members receive well deserved high honours. At the Great Priory meeting in May, Sir Knight The Rev'd Steven Hawkins was promoted to P. Gt. Almoner and Sir Knight Tony Baker was appointed P. Gt. Warden of Regalia. In Supreme Council, Sir Knight Ian Satherley was honoured with the 32°, Sir Knight Jo Davis received the 31° and Sir Knights John Allen and Shaun Herron were both elected to the 30°. It has been a momentous year with no less than six significant honours bestowed upon our members, for which we are most grateful to Great Priory and Supreme Council.

I add my congratulations to Sir Knight Jo Davis and Sir Knight Costas Kkolos on your appointments to office in Provincial Priory, and my thanks to Sir Knight Nigel Middleton, Provincial Marshal for the first time since being appointed last year. I have much pleasure in congratulating those mentioned, as well as all of the Provincial Officers, the Grand Commanders, Marshals and Officers of the Five Royal Orders for their efforts, dedication and valued contributions to the Camp of Baldwyn.

I must also pay tribute to the brilliant work done by the executive team for our collective benefit. My sincere thanks to Sir Knight Steven Hawkins, Deputy Grand Superintendent of Baldwyn and Sub-Prior for all you do in support of the Camp and myself, as well as for the inspiring and thought provoking Service you led this morning. Sir Knight Ian Satherley, Prov Vice-Chancellor, Registrar in the Preceptory & Commandery and Recorder in the Rosae Crucis, for your efficient administration of so many aspects of the Camp. Sir Knight Shaun Herron, for your diligence as Treasurer of the Camp and each of our Orders, ensuring our finances are in excellent order.

There are many more who make greatly valued contributions, often behind the scenes. I thank on all our behalves, Sir Knights Paul Hankinson and Mike Whitworth for playing the music, which adds to the atmosphere of our meetings; and Sir Knights Andrew Moore and Mike Page for so kindly taking the time and significant effort needed to set up and take down the large amount of furniture and regalia needed for each of our meetings. Your hard work and dedication is greatly appreciated by us all

We are fortunate to enjoy strong and mutually supportive ties with the Craft, the Royal Arch and the Mark in Bristol. Sir Knight Steven Hawkins and I were pleased to be invited to give a talk at the Bristol Masonic Society in January. Lodge Room 3 was packed and we were told that a record attendance had gathered to hear our talk. We spoke about some of the fascinating history of the Camp, the key position we hold in Bristol Masonry and the impact the Camp has had on Great Priory and Supreme Council, as well as describing our Five Royal Orders. This was the first time that such a talk has been given in Bristol and confirmed to us that being more accessible and open is a strong positive for the Camp.

My concluding point, Sir Knights, is that the Camp of Baldwyn is the only one of its kind in the entire world, due in large part to the indomitable spirit of our predecessors over the past 250 years. Keeping it special, maintaining our unique Time Immemorial rituals and continuing to make good progress is now our responsibility. As custodians, it is our duty to protect and preserve our beautiful ancient rituals and ceremonies for future generations. Sir Knights, the credit is deservedly yours for all that is achieved in the Camp.

Thank you all for your kind attention. The grace of our Lord Jesus Christ be with you and may God bless and keep you and your loved ones safe!

Right Eminent Sir Knight Allan Rosengren.

Provincial Prior for the City & County of Bristol

Most Eminent Grand Superintendent of the Camp of Baldwyn

Camp of Baldwyn

Steve Hawkins – Most Eminent Grand Superintendent

Steve grew up in St. George in East Bristol and attended Cotham Grammar School. He enjoys academic study and since leaving school he has gained three undergraduate degrees in Education, Science and Theology. Before his ordination, he was a teacher. His career culminated as Head of Physics and Head of Year and a member of The Senior Management Team at Wellsway School in Keynsham, roles in which he took pride in supporting both the academic and personal growth of his students. He has been vicar of three churches, all in the Diocese of Bristol. He has also been the voluntary chaplain to the Normandy Veterans Association, Bristol Rovers Football Club and the Knowle Sea Cadets.

Steve's passion for Masonic research is rooted in a genuine desire to connect with others and share understanding. As a past President of the Bristol Masonic Society, he valued every opportunity to listen to and learn from fellow members, delivering numerous papers on a wide range of topics. Steve is a member of many Masonic orders and holds Grand Rank in twelve them.

He feels a profound personal connection to the distinctive ceremonies of the Camp of Baldwyn, which hold a unique place in world Masonry. Since joining the Camp in 2005, he has been privileged to serve as chair of The Nine Elected Masters, Knights Templar, and Rosae et Crucis. These responsibilities have enriched his Masonic journey and fostered lasting relationships. In 2021, he was honoured to be appointed Deputy Grand Superintendent of the Camp by the then Most Eminent Grand Superintendent, Allan Rosengren, whom he is now privileged to succeed.

Steve believes that if Masonry can be described as 'serious fun,' then the Camp demonstrates the warmth and openness that make everyone feel valued. Its ceremonies are carried out with heartfelt dedication, while after-meetings are filled with genuine camaraderie, laughter, and the comfort of shared understanding. Steve's hope is that all who join will continue to feel welcomed, supported, and truly at home.

.

Allan Rosengren – Past Most Eminent Grand Superintendent

Allan has been a Mason since 1986 and has held office in several orders over the years since.

He was admitted into the Camp of Baldwyn in 1996 and has served in the Chairs of the Scots Knights Grand Architect, Knights Templar and Rosae Crucis. He was appointed as Deputy Grand Superintendent in 2008, a position he held for 12 years. In 2020, he was elected by the Sir Knights of Baldwyn as the Most Eminent Grand Superintendent, Provincial Prior for the City & County of Bristol and Inspector General for the District of Baldwyn.

Allan has throughout encouraged all Sir Knights to attend and participate fully in the Five Royal Orders of the Camp. He has been very keen to see that everyone is enjoying their experience and making good progress in the Camp, also wherever possible in Great Priory and Supreme Council where several Sir Knights of Baldwyn have received high honours. He looks forward to installing Steve Hawkins as the next Most Eminent Grand Superintendent in early September.

Allan was Chief Executive of Falcon Group Plc and another large AIM-listed national financial services business from 1983 until 2011. He has since become a private equity investor focused on backing the next generation of entrepreneurs. He has also served as Chairman or Director on the Boards of several businesses.

Allan is married and has two sons in their mid-30s.

Ian Satherley. BEM. Deputy Grand Superintendent

Ian was born in Bishopston, Bristol where he lived during his early years. Spent much of his youth in the Scouts, in which his father, mother, brother and sister were also involved. After leaving school took up an apprentice as an electrician following which he joined the County of Avon Fire Brigade rising to the rank of Station Officer retiring after 32 years' service. He was initiated in the Lodge of Unity 1983 was W.M. in 1990 following which he was the Lodge secretary for 14 years. In 2027 appointed as Provincial Grand Secretary and Provincial Grand Scribe Ezra and Hall Manger. Installed in the Camp of Baldwyn in 1995 served in the chairs of the Nine Elected Masters, Knights Temple and Rosæ Crucis, appointed as Registrar and Recorder in 2018 and then Vice-Chancellor in 2023. Nominated as Deputy Grand Superintendent and Sub-Prior in 2026, great honours which he is very proud and very humbled to accept.

Ian is a member of many other Masonic Orders has come to appreciate the importance of guidance, patience, and kindness—especially in supporting others through their own challenges. These qualities are reflected both in his career in public service and in his mentoring within Masonry.

Ian was honoured in 2023 being awarded the British Empire Medal by King Charles III, for his voluntary roles in the Fire Service and Firefighters Charity, which was presented by the Lord-Lieutenant of Bristol, Mrs Peaches Golding.

Shaun Herron – Treasurer

Shaun was born and raised in the outer suburbs of south Belfast, living next door to the family's Church, the rear gardens of which provided a secret playground. Shaun was educated at Fullerton House Preparatory School and the Methodist College Grammar School. He took a joint honours degree in Economics and Accountancy at the University of Bristol, and liked the City so much that he stayed. He was accepted onto the PwC graduate training scheme, qualifying as a Chartered Accountant some three years later, and stayed with PwC for a further six years, before moving into the commercial world. For the last thirty years Shaun has held a number of senior finance positions, primarily in the Financial Services sector.

Shaun was Initiated into the Moira Lodge of Honour in February 1998 and served as WM in 2005 and 2007, and as Treasurer since 2009. He was Exalted in the Moira Chapter of Honour in April 1999 and was First Principal in 2011, and has been Scribe E since 2015. Shaun was admitted to the Camp of Baldwyn in 2010, appointed as Treasurer in 2015, and has had the privilege to be Grand Commander of the Order of SKGA & SKoK, and MWS of the Baldwyn Rose Croix Chapter. Shaun has also been the Provincial Account Examiner for the Craft since 2008 and Chapter since 2018, and in 2021 was appointed as Treasurer for the Bristol Masons' Charity.

Shaun is married to Julie, and they have two children – Theresa (23) and George (21).

John Jenkins – Registrar & Recorder

John was born and raised in suburban Oxford and moved to Bristol (for one year - but still here!) in 1982 as part of his undergraduate course in Civil Engineering. He is a Chartered Civil Engineer and spent the majority of his career advising clients in respect of major projects in the UK and Hong Kong. His last role however, was as a safety and security regulator in the nuclear industry based in Liverpool. John joined the Robert Thorne Lodge in 1989 and served as WM in 1997. After IPM he held the office of DC for a while and is currently ADC. John went on to serve as Provincial Junior Grand Warden in 2023.

He was exalted into Whitson Chapter in 1999 and was First Principal in 2008. John was admitted into the Camp of Baldwyn in 2003 and has held office in the Scots degrees and NEM. He was widowed in 2006 and has two daughters from that marriage. He has since remarried and lives with his wife Sarah in Clevedon. John retired in 2015 and outside Freemasonry he is a keen runner, cyclist and birdwatcher. He also has a special interest in native British orchids and has personally found and logged many of the 50 or so species in England and Wales.

2026/27

Charity & 2030 MCF Festival

Province of Bristol

Bristol 2030 Festival

Year One Review

The launch of the Bristol 2030 Festival in support of the Freemason's Charity marked the beginning of a focused five-year journey to raise £1 million and continue Bristol Masonry's proud tradition of charitable giving. As I reflect on the first year of the Festival, there is much to celebrate. Thanks to the remarkable generosity and commitment of Brethren across the Province, we have raised just over £350,000 within our first year.

This achievement is particularly significant given the challenging economic climate in which the Festival began. At the launch, we recognised that many individuals and families, including members of our own masonic community, were facing increasing financial pressures. Despite these challenges, Brethren have responded with characteristic compassion and generosity, demonstrating once again that charity remains at the heart of Bristol Masonry. Whether through regular giving via Relief Chest schemes, one-off donations, fundraising activities, or the support of our Lodge Charity Stewards, every contribution has played an important part in this exceptional start.

The importance of our efforts is underlined by the outstanding work of the The Freemason's Charity, previously known as the MCF. Since the conclusion of the previous Bristol Festival in 2019, more than 218 grants have been awarded to Masons and their families within the Province, providing support valued at approximately £512,000. These grants have helped relieve financial hardship, provide essential healthcare and welfare support, and create opportunities for the children and grandchildren of our members to achieve their potential.

Beyond the masonic family, The Freemason's Charity has also awarded more than £900,000 in grants to over 78 charities across Bristol, supporting organisations that make a tangible difference within our communities. Charities such as Gympanzees have received funding to provide specialist equipment and opportunities for disabled children and young people, while Empire Fighting Chance has been able to support disadvantaged young people through sport, mentoring, and personal development programmes. Together, these and many other initiatives demonstrate the life-changing impact made possible through the generosity of Freemasons.

I highlight these figures to underscore the point I made at our Festival launch last September – our province and our communities are net beneficiaries of The Freemason's Charity. For every £1 we raise, we receive more than this back in grants and support.

The success of our first year provides strong foundations for the remainder of the Festival. While we should take great pride in reaching over one-third of our target so early in the campaign, there remains an important task ahead. Of the approximately 1,200 members within our province, just over 200 have so far donated enough to qualify for one of our magnificent Festival Jewels. This number needs to increase significantly for us to achieve our target and, taking my previous comments into account.

I urge everyone who has yet so to do to please consider signing up to a DD or a one-off donation as soon as possible. £10 per month for 5 years is not unrealistic for the vast majority of us and I have outlined the huge benefits this small contribution can and will make. Charity is one of the core pillars of masonry – it is one of the reasons many of us are masons in the first place and we must not lose sight of that.

As Festival Chairman, I would like to express my sincere thanks to every Brother, Lodge, Charity Steward, and supporter who has already contributed during this first year.

The enthusiasm and commitment shown across the Province have been both inspiring and humbling. If we continue to embrace the principles of generosity, kindness, and beneficence that define our fraternity, I am confident that Bristol will once again deliver a Festival of which we can all be immensely proud.

W Bro Jamie Reed PGChap
2030 Province of Bristol Festival Chairman

Bristol Masons' Charity

Such is the nature of our society and its dependence on global events the need for charitable support in our city is ever growing. During 2025 the BMsC continued to support charities working in the Bristol area.

We donated £127,000 to help deprived children, the homeless, food banks, the elderly, voluntary emergency services and health related charities.

In addition, the BMsC was able to help a number of Bristol Masons and their families that found themselves in difficult circumstances..

The Bristol Masons' Charity is administered by and on behalf the Bristol Province and is independent from the charities that the Province contributes to in conjunction with UGLE. This allows us to approve certain donations at very short notice when the need arises.

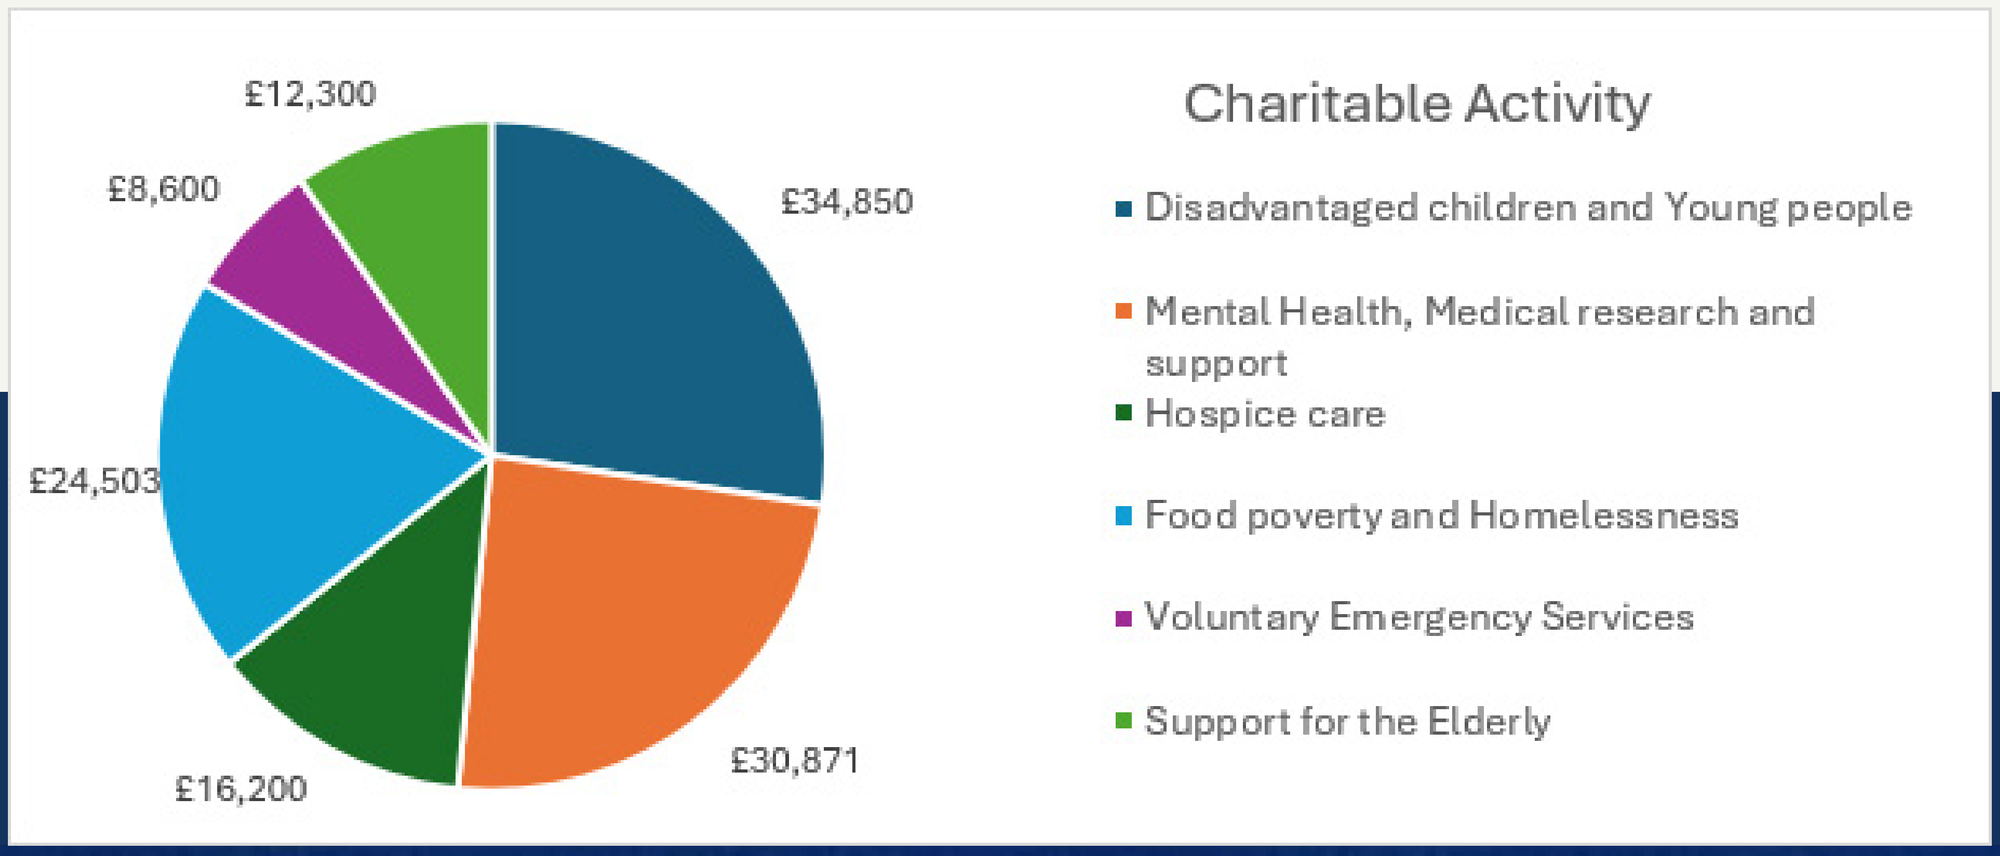

Donations by the BMsC are made in response to direct requests from the charitable body or recommendations from Lodges/Chapters and include match funding for donations raised by the Lodges/Chapters themselves.

Donations by the BMsC represent a significant part of the overall charitable support provided by the Province. To support this work and to fully understand the benefits of the BMsC all Charity Stewards and Almoners are requested to attend the next AGM to be held on Monday 12 April 2027.

W Bro. Mike Drysdale

Clubs & Events

Province of Bristol

ANNUAL REPORT 2026/27

Dunckerleys

BRISTOL'S LIGHT BLUE CLUB

Since the last annual report the Dunckerleys club has become more established and our membership has grown. It is rapidly becoming a vibrant and enthusiastic part of masonry within the province of Bristol..

We have been fortunate in being granted funding from Province to set up a new and exciting initiative to provide welcome packs to new candidates being initiated.

The Dunkley's committee are working alongside the Province on a strategy to put this out to all Lodges, where there are new candidates coming through. Our committee are keen to become involved in other opportunities for collaborative ideas in the future.

In May of this year I was very honoured to be elected to be Chairman of this diverse and interesting group and we now have a full committee with all officer posts filled and fully active. Members have enjoyed various social, Masonic and charitable events. Some of the highlights have been;

- Multiple visits over the past twelfth months to The Grand Lodge London at Freemason Hall in London for quarterly communication and Light Blues Communication.
- Multiple trips overseas including an extremely interesting visit to a Scottish Constitution in Gibraltar where we were made exceptionally welcome.
- A Pirate Tales tour of Bristol venues with historical links to the city.
- Our next visit is planned for October to an English Language Lodge in Poland.
- We held a Dunckerleys Clay Shooting evening;
- We also recently hosted a online presentation by the new Provincial Executive. The focus being The Royal Arch. This was well received and of particular interest to some of our newer members as it provided an insight into the next steps on their journey within the Masonic brotherhood

Going forward we have lots of planned social events during the next twelve months and our WhatsApp group is very active.

Armed Forces Social Club

A lot has changed over the past year regarding Armed Forces matters within our Province.

The standout achievement was getting the Armed Forces Covenant signed off by the PGM on behalf of the Province and development of plans to support the various pledges within it. The signing event was an excellent day supported by both Civic and Military organisations.

About a year ago UGLE began to formalise the Armed Forces coordination within Masonry by creating a Central Armed Forces Committee and asking Regional Communication Groups (RCG) to report into that committee. Each province has an Armed Forces Representative that feeds into their RCG, which is currently W.Bro. John Douglas. We are in RCG4 which includes the Provinces of Bristol, Gloucestershire, Hereford, Monmouthshire, South Wales and West Wales.

This coordination is useful for the sharing of best practice and good ideas between Provinces and RCGs and focussed dissemination of Military related strategy, events and initiatives.

W.Bro. Lee Bushby continues to head up the Armed Forces Social Club and helps to coordinate military assistance to events like Remembrance weekend and Masonic events at the National Memorial Arboretum in Litchfield. Lee organised a social gathering of Bristol military Masons over the summer break, a great way to catch up with masonic comrades old and new.

Semper Fidelis Lodge continues its growth as the special interest lodge for those with an affinity to the services. They have hosted local military units at Park Street and continue to create and nurture relationships with our Bristol based military family.

The Bristol Masonic Golfing Society

Looking back over the past 18 months we have continued to play as many golf competitions and matches against local provinces as we did before. However, the numbers of players taking part has diminished.

All the competitions have been enjoyed by those taking part and we have also played on a couple of new courses too. Despite the reduced numbers we are still attracting new, younger players who are contributing to the success of our teams against the other provinces.

We have tried to arrange the fixtures without them clashing with masonic meetings (Although this is not always possible) and to arrange for courses at locations not too far from Bristol.

The cost to play golf at all golf courses has increased significantly over the past two years – which could explain the reduction in members taking part on a regular basis
However, looking to the future, we will always try to play on courses which offer outstanding golf for our members combined with value for money.

Events Around the Province

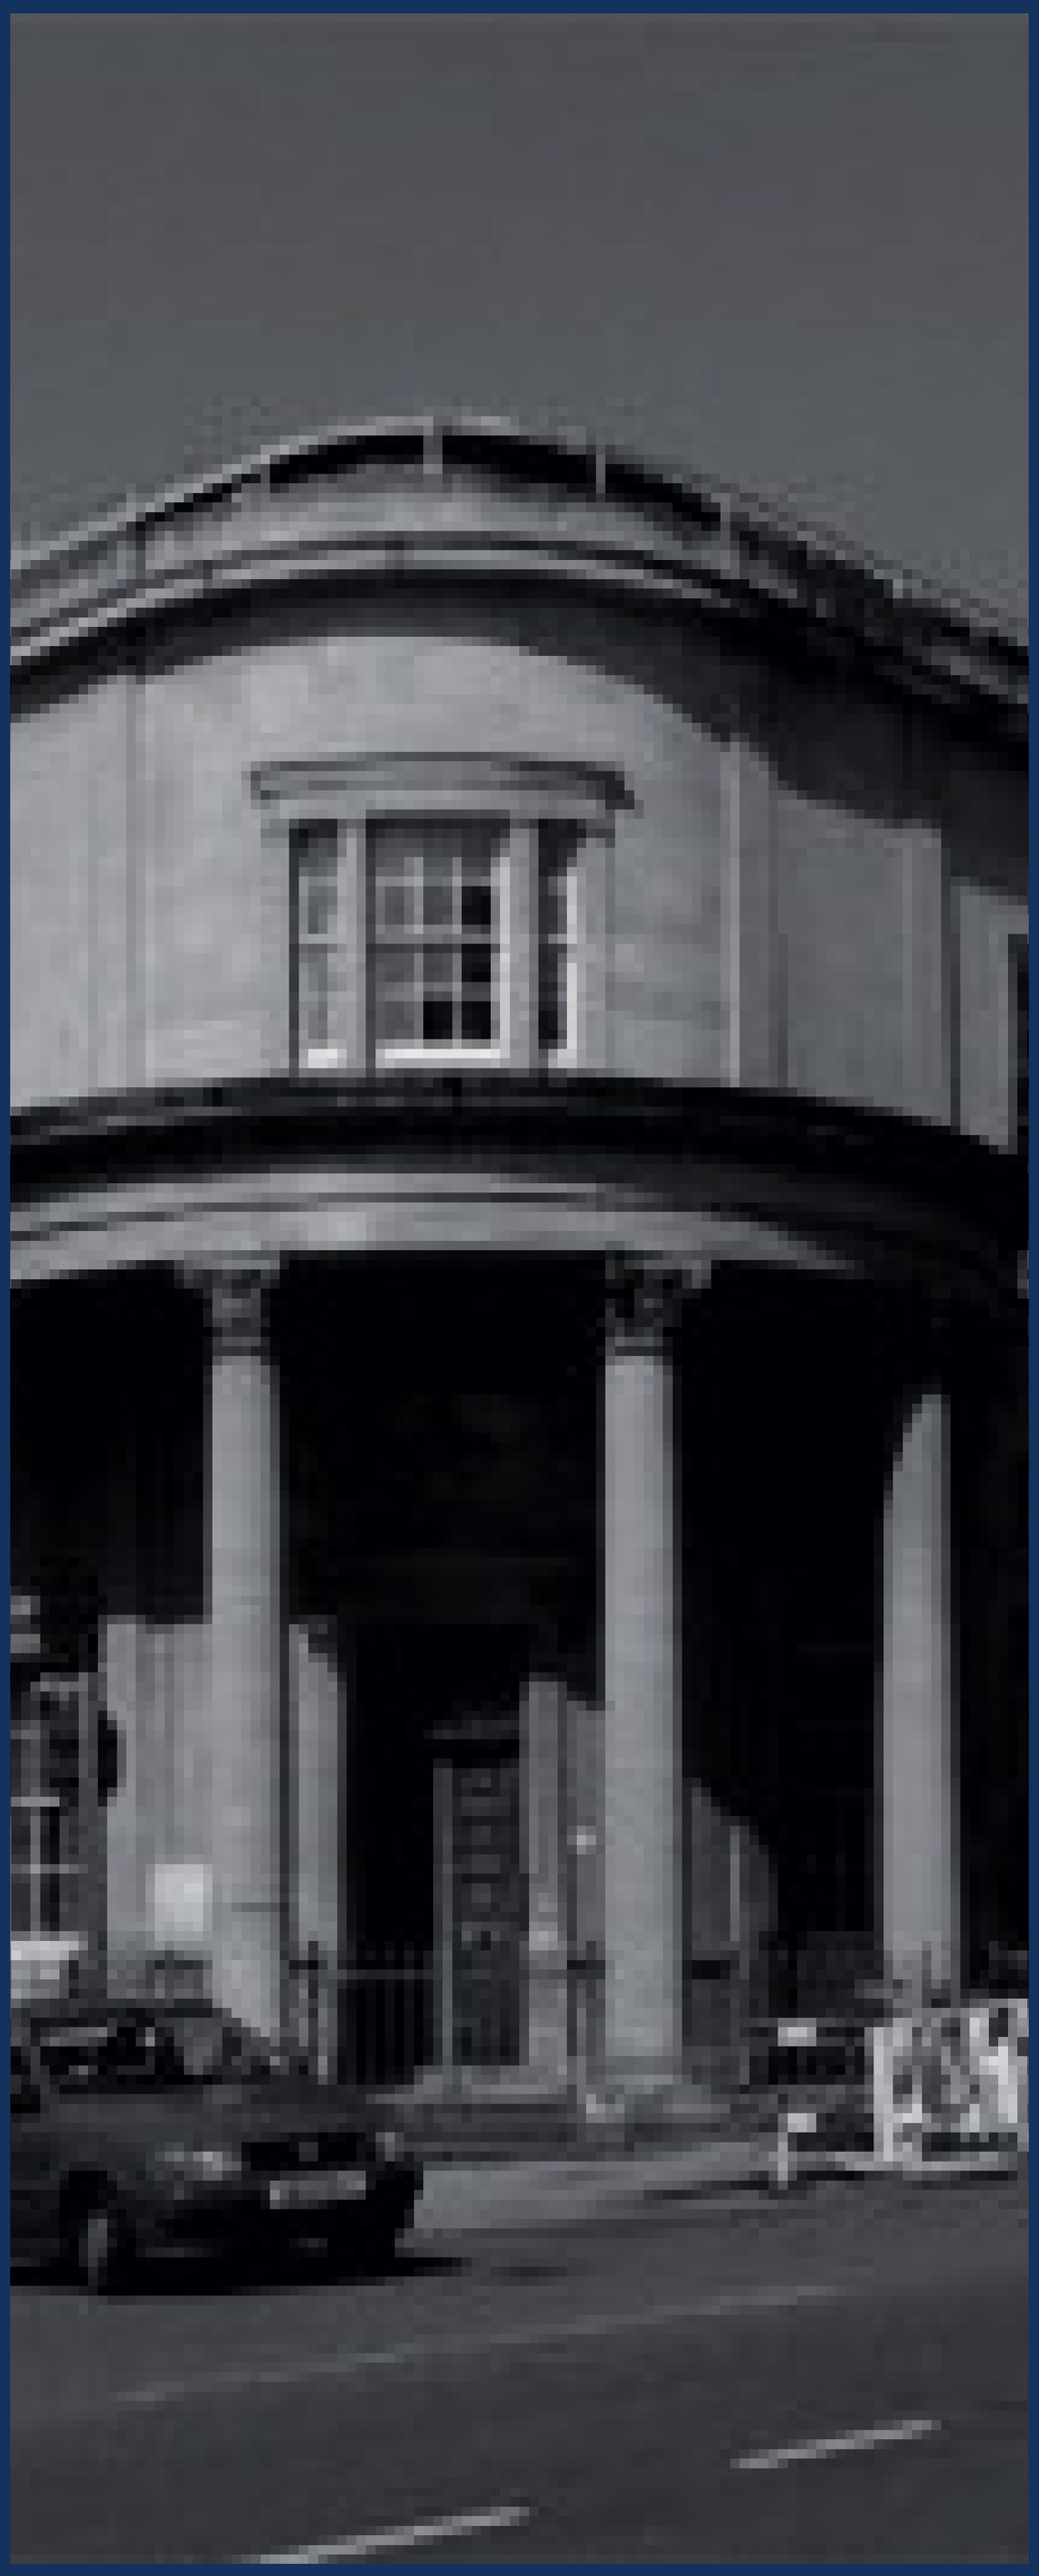

2026/27

17 Park Street

Province of Bristol

17 Park Street Limited

The Board of 17 Park Street Limited is responsible for all non-Masonic activity within Freemasons' Hall, incorporating the Bar [The Square & Compasses], Catering, routine maintenance and all external events, it reports to the Board of Freemasons of Bristol Limited.

Catering

As most brethren will know, Little French informed the Board in January 2025 that it would not renew its lease.

A selection panel of eight led by DPGM Tim Brunton, considered several interested parties and made a unanimous decision to appoint Smithson & Sons Ltd [trading as Aqua] as our preferred caterers.

All Lodge & Chapter Treasurers were invited to a dinner on 28 August 2025 to sample a selection of dishes and to meet the Aqua team, led by MD Ben Smithson

Monthly meetings are held with Ben and his team, when operational matters are discussed at length – including seasonal changes to the menu.

17PS has also implemented a new approach to order meals via an in-house software program – this program is constantly under review – resulting in the latest iteration being introduced during September 2026.

To maintain a high standard of service, we employ all bar and waiting staff directly, with Anita overseeing their work.

The Square & Compasses

In keeping with previous years, The Square & Compasses has maintained bar prices at a very competitive rate, especially when compared to local pubs and bars and we plan to hold prices, other than any government increases, for the next 12 months.

Despite keeping prices as low as possible, we will continue with monthly 'special offers', which are very popular with our members.

External Events

We plan to advertise the availability of the Hall for events, always ensuring that our Masonic meetings are not compromised.

However, the most significant event of the year continues to be that of the 'Ale and Shanty Festival', held during early May.

The festival is a wonderful display of local brewing and cider making at its best.

The festival continues to attract top class shanty groups – headlined by our own 'Bristol Shanty Crew'...

Directors

There has been no change to the composition of the board over the last 12 months.

W Bro David Elliott – Chair

W Bro Leo Hodgson – Company Sec

W Bro Brett Hirt

W Bro Jamie Reed

W Bro Costas Kkolos

Bro Alan Morgan – FD

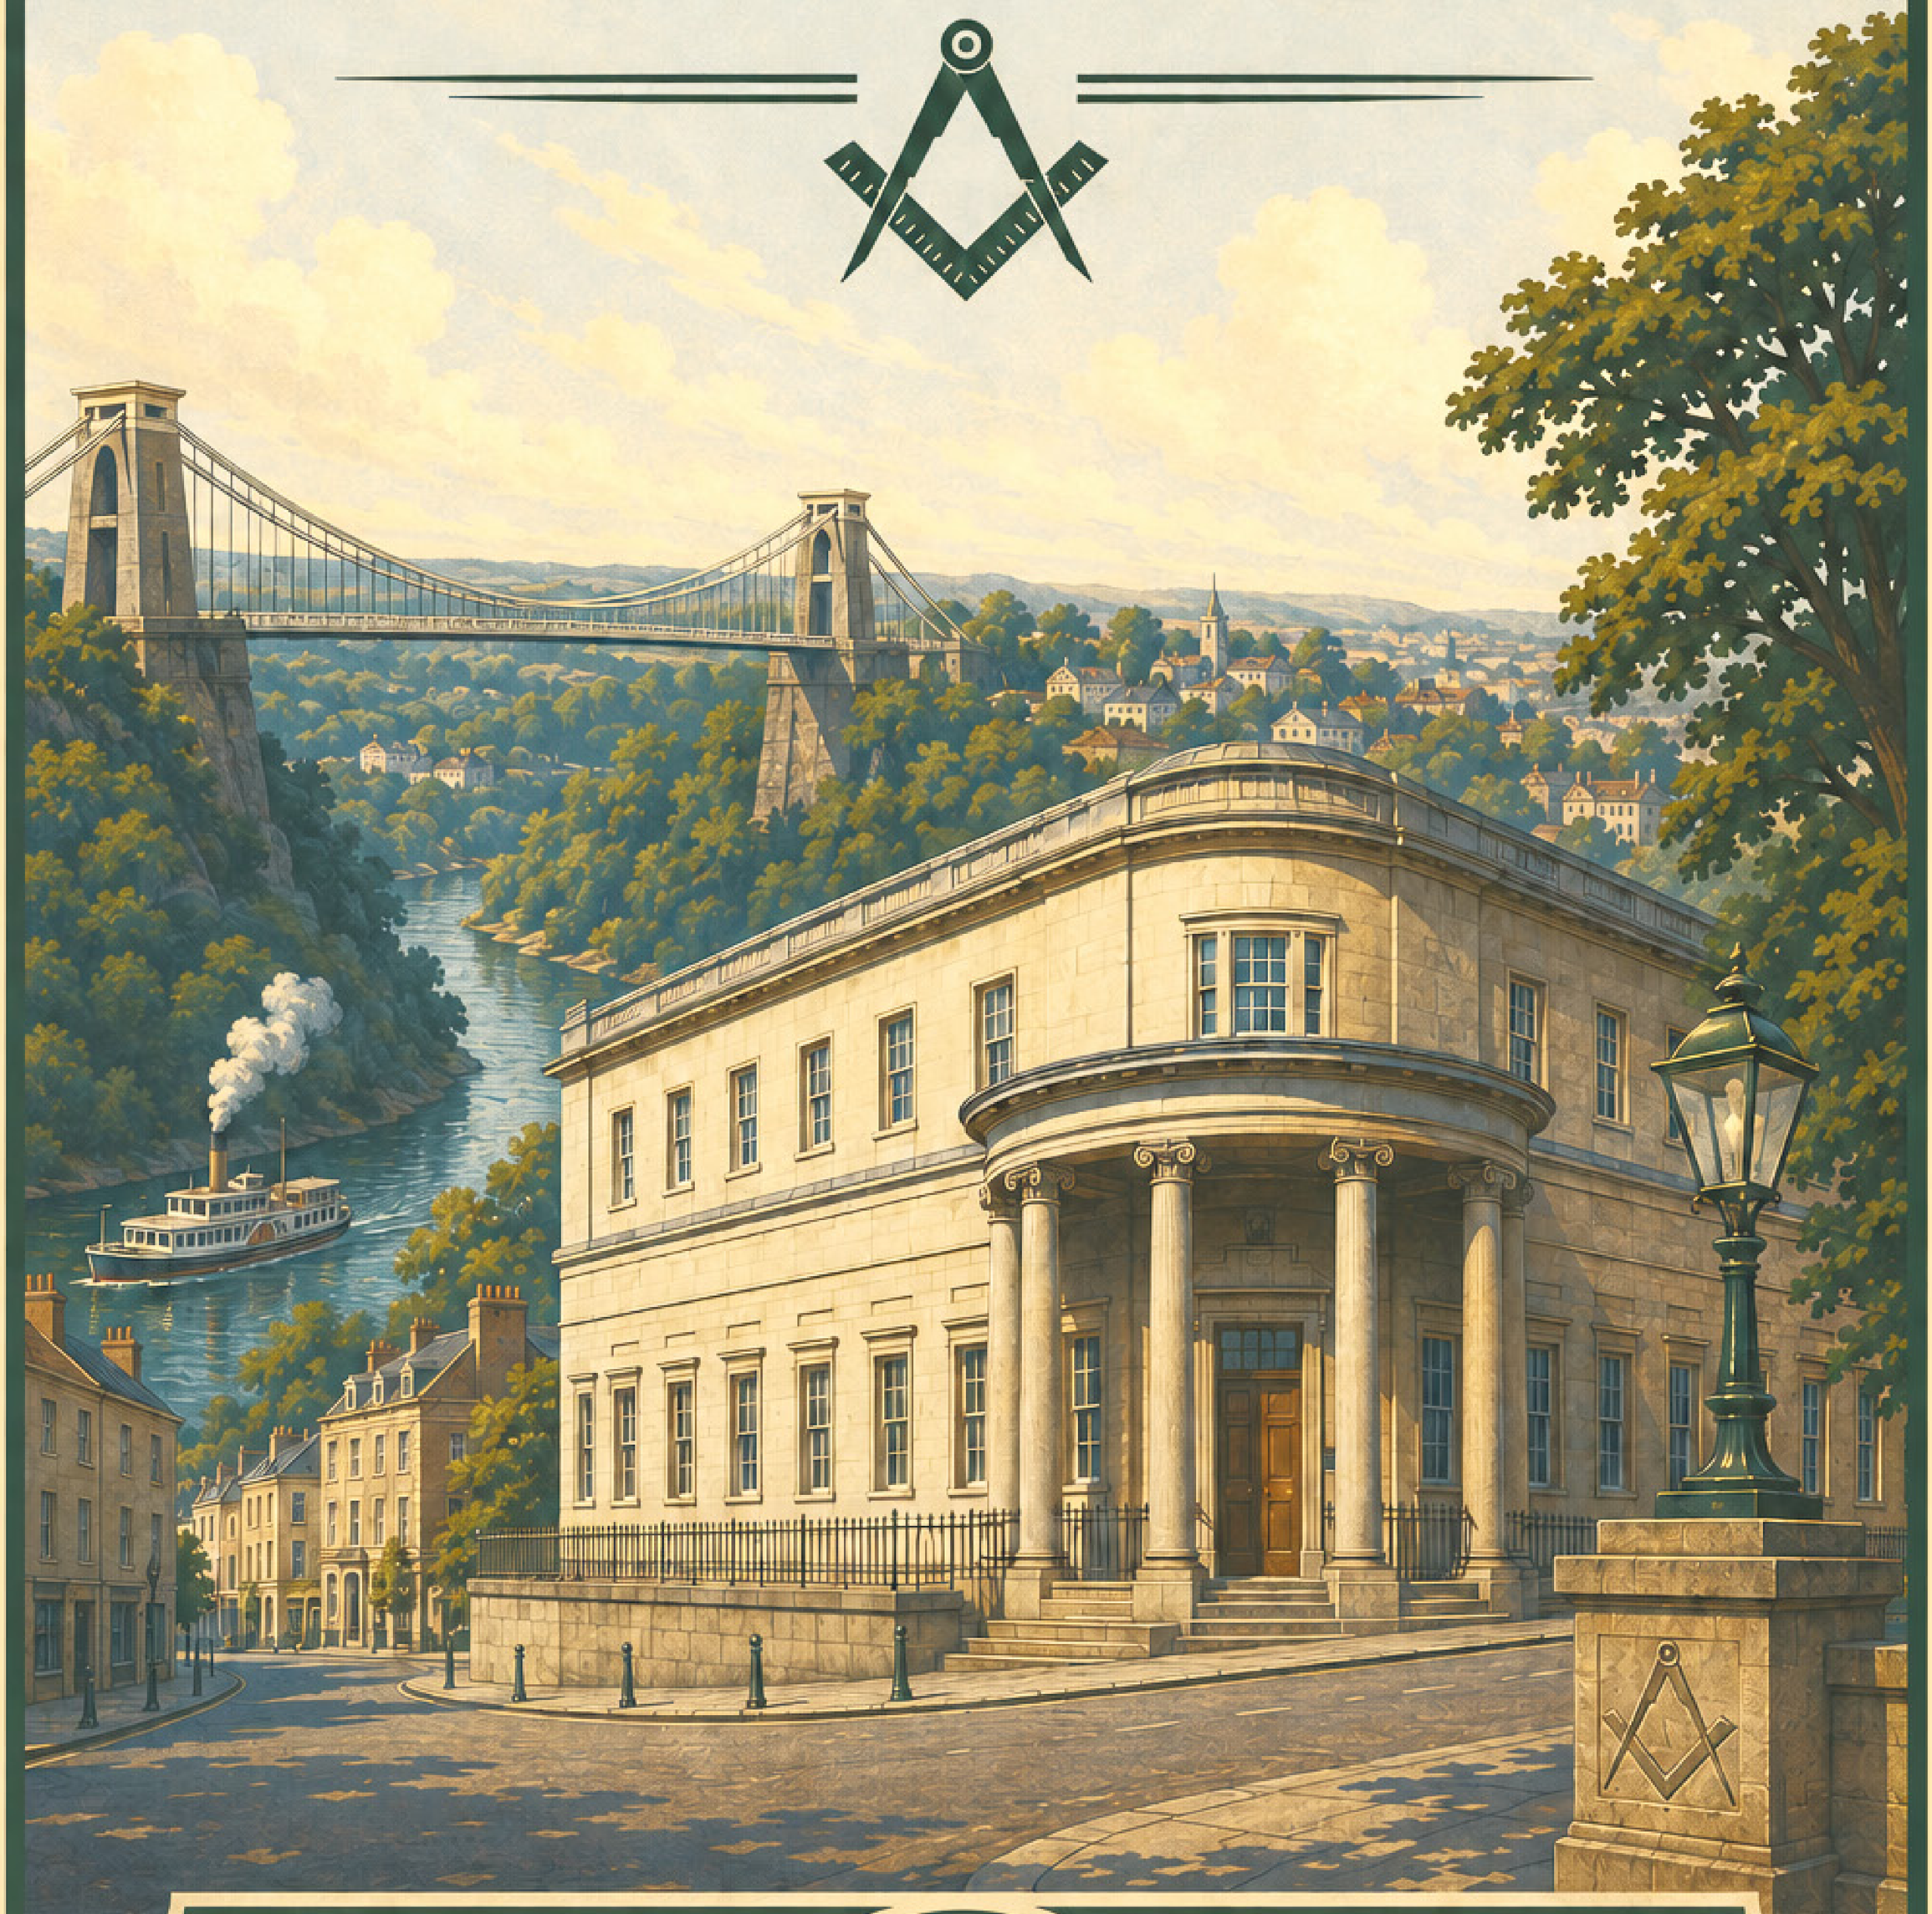

The board is delighted to announce that the Shanty festival raised over £10,000 this year, with 50% going to Bristol Provincial festival and the balance being distributed to Teenage Cancer Trust, SARA rescue and RNLI.
