Foreword by

The Provincial Grand Master for Bristol

Brethren and Companions,

Once again, I welcome you to the Bristol Blue Book. This year it has been collated and produced by W Bro Alan Reed and the Province is indebted to him for this massive undertaking. I wrote my first Foreword for this Book in 2018 and I note that in more recent years it has been titled “Forward” which is decidedly more descriptive, but as this is my last “Foreword”, we will return to the correct spelling.

My tenure as PGM & MEGS has seen a multitude of changes in the world at large and Masonry in particular. Our leadership within UGLE has embraced the challenges facing our Order and set out a raft of initiatives and strategies to preserve and develop further Freemasonry around the globe. Within the Province we have sought to respond to these initiatives and have witnessed some excellent examples of Lodges and Chapters recognising that they must embrace some degree of change in order to carry Masonry forward to the next generation and beyond.

I am immensely grateful to the officers who have helped and supported me during my tenure: Deputies Richard Lewis and Tim Brunton have been excellent, my secretaries Peter Wills and Phil Nichols have been a huge asset, as have my Treasurers Tony Driffield and Richard Keen. Alongside these, there has been a small army of committed, dedicated officers who have made this Province such an enjoyable and rewarding place in which to have played a leadership role.

I commend my successor to you. W Bro Dr Jon Hayes will no doubt bring his own stamp and shape to the role and I wish him every success, and I know that you will give him your full support. Finally, I would like to thank all of you for the way in which you have welcomed me to your Lodges and Chapters over the years.

Provincial Grand Master / Most Excellent Grand Superintendent

Foreword by

The Provincial Grand Master for Bristol

Dear Brethren & Companions,

It is with a degree of nervous excitement that I write this supplementary introduction to our Blue Book. On behalf of all our members, I would like to express our heartfelt thanks to RW Bro Jo Davis for eight years of exemplary service to the Province and to all the Senior Officers he has mentioned, who have supported him in that role.

The aftermath of the Covid pandemic proved challenging for us all, but Jo's steady leadership, support and encouragement has brought us to a position of stability, creating a firm foundation from which we can continue to build. The intensity and volume of hidden work that goes on in the background, both internally within the Province and up the line to UGLE, cannot be overstated - an area that I am only starting to get acquainted with! Jo's wisdom, diplomacy and unsung effectiveness has been instrumental in creating this foundation.

In my succession as PGM and MEGS, I have been delighted to appoint W. Bro. Barry Chandler as Deputy PGM, E Comp Tim Brunton as Deputy Grand Superintendent and W. Bro. Brin Bassral as Assistant PGM. Barry will also serve as Provincial 2nd Grand Principal in Royal Arch. We are already working closely with the senior leadership in our companion orders, RW Bro. Ashley Hawkins PGM in the Mark Degree and E Kt Rev. Steven Hawkins MEGS-elect of the Camp of Baldwyn, and I am pleased to say that together we will be developing a single strategic plan for the Province: "The Bristol Way – one journey; one home". The core domains within this will be Resilience, Growth and Visibility - focusing on ensuring our members, lodges and chapters are thriving; attracting and recovering new or lapsed members; and promoting our Province more widely and further engaging in our communities. This will be closely aligned to, but distinct from the national strategy, reflecting our unique character and traditions.

This is a united endeavour. We must all work together to promote and grow our wonderful organisation and continue to be proud to share and celebrate our membership. We are uniquely privileged to be Bristol Masons, with our envied Bristol Workings and our spectacular building in Park Street being the two most prominent jewels in our collective crown. I am immensely proud to have been appointed as the next Provincial Grand Master of Bristol. With the new team beside me, I look forward to serving you all to the best of my skill and ability, to ensure that Masonry in Bristol continues to thrive into the future and maintain our standards and status as the most unique Province in the country.

Dr. Jonathan Richard Hayes

Bristol Masonic Society, the First 100 Years 1917-2017 by A.R. Baker

This very full history of the Society's first hundred years describes the nature and structure of its meetings as well as listing every one of them. It discusses the objects of the Society and gives details of its invited speakers. It deals with challenges such as the Second World War and the destruction of Freemasons' Hall at Park Street, including the Library and Museum.

It also discusses contentious issues such as the ownership of the Library and Museum as well as the publication of Annual Transactions.

Included throughout are hundreds of gems of Bristol Masonic history and customs as well as biopics of more than 170 Bristol Masons – some of whom you may have known!

It is lavishly illustrated, has 17 Appendices and a full index
